

Sophomore Year: General Timeline

August	Browse and research medical schools/programs. Familiarize yourself with AACOMAS, AMCAS, TMDSAS, and the differences between them.
September	Go to medical school admissions fairs, forums, and related events.
October	Continue to develop relationships with faculty, advisors, and mentors on campus.
November	Familiarize yourself with the potential costs of medical school.
December	Pursue or continue medically related activities, including volunteer roles, paid work, or research position in a health care related environment.
January	Visit medical schools, go to information sessions, and prioritize the schools on your list.
February	Meet with your advisor to discuss education options.
March	Apply to summer enrichment programs and research programs , if you have not done so already.
April	Investigate your financial aid and student loan options.
May	Begin to learn about the fee assistance programs: AACOMAS Fee Waiver Program . AAMC Fee Assistance Program : assists those who without financial assistance, would be unable to take the MCAT, apply to medical schools through AMCAS, and more.
June
