Click on *Review My Academic Progress*

Review your degree and major(s) to ensure the information is correct. If your degree, major or anticipated completion date is not correct proceed with completing the application process at this time. Notify registrar@wittenberg.edu of the change that should be made. If a change in major, the Registrar's Office will get the necessary approval and notify you once confirmation has been received; you can then continue with the application process. Not correcting this information to the submission of your graduation application can

Once you have determined all information is correct, go back to the Graduation Application and click on Apply

The default to the questions below is Yes; toggle on the question if your response is No

Commencement Details

A screenshot of a form section titled "Commencement Details". It features a toggle switch that is currently turned on (to the right), with the text "Will you attend commencement?" to its right. The toggle switch is pink and white.

If you wish your diploma mailed to you, toggle to NO for the second question and your mailing address will appear or you can change the address by clicking *Ship to New Address*

A screenshot of a form section titled "Diploma Mailing Address". It features a toggle switch that is currently turned on (to the right), with the text "Ship to preferred mailing address" to its right. Below the toggle, the mailing address "123 Home Road" is displayed. There is also a link labeled "Ship to New Address" below the address.

Once you have completed the application, click

You will receive a notification letting you know it was submitted correctly.

ated to the Graduation Application as soon as in the Application Status. The submission of the application is also done by

ded, please contact the Registrar's Office before proceeding.
