FACULTY NOTES

Doug Andrews: I am excited to see the new faculty members joining the department. It is a great time to be here, and I look forward to working with you all. We have a lot of exciting projects and research opportunities, and I hope you will find them all very interesting. Please let me know if there is anything I can do to help you get started.

Steve Bogaerts: Welcome to the department! I hope you are settling in well. We have a very supportive and collaborative environment here, and I am sure you will find it a great place to work. Please don't hesitate to reach out if you have any questions or need any assistance.

A very warm welcome to the new faculty members. We are excited to have you on board and look forward to working with you. Please let us know if there is anything we can do to help you get started. We have a lot of exciting projects and research opportunities, and I hope you will find them all very interesting. Please let me know if there is anything I can do to help you get started.

Doug Andrews, Sharon Shambaugh, Brian Shelburne, Steve Bogaerts, and Adam Parker at the department baby shower for Kyle and Olivia (and Thea) Burke.

Bill Higgins: Welcome to the department! I hope you are settling in well. We have a very supportive and collaborative environment here, and I am sure you will find it a great place to work. Please don't hesitate to reach out if you have any questions or need any assistance.
